Kindergarten

Kindergarten: 30 activities.

Kindergarten · **Listening** 9 activities

Level A: Starting support (5)

Find the Seed	Listening for a garden word	4 min
Rain or Sun?	Listening for a weather word	4 min
Who Says Tweet?	Listening for an animal sound	4 min
Who Is Happy?	Listening for a feeling word	4 min
Wash Your Hands	Listening for a health helper	4 min

Level B: Growing (4)

What Rhymes with Cat?	Listening for a rhyming word	4 min
Clap the Parts	Counting the parts of a word	4 min
The Bird Chant	Listening to a chant for a count	4 min
What Max Sees at Night	Listening for two details	4 min

Kindergarten · **Reading** 7 activities

Level A: Starting support (4)

Starts with S	Matching a first sound to a picture	4 min
Starts with M	Matching a first sound to a picture	4 min
Starts with F	Matching a first sound to a picture	4 min
Starts with B	Matching a first sound to a picture	4 min

Level B: Growing (3)

Ends with T	Matching a last sound to a picture	4 min
I See a Fish	Reading a picture sentence	4 min
Read: circle	Reading a shape word	4 min

Kindergarten · **Speaking** 8 activities

Level A: Starting support (5)

What Do You See?	Naming something in a picture	4 min
Say the Weather	Saying a weather word	4 min
What Would You Share?	Saying a word to answer a question	4 min
How Does She Feel?	Saying a feeling word	4 min

Pond Animals	Naming an animal in a picture	4 min

Level B: Growing (3)

A Snowy Day	Telling about the weather and clothes	4 min
Dinner with My Family	Telling who is in a picture	4 min
Count the Apples	Saying a number to tell how many	4 min

Kindergarten · **Writing** 6 activities

Level A: Starting support (4)

Draw a Garden	Drawing and copying a label	10 min
My Name	Writing your own name	10 min
Draw the Sun	Drawing and copying a label	10 min
My Family	Drawing and labeling a person	10 min

Level B: Growing (2)

I See a Duck	Copying a sentence about a picture	10 min
I Feel Happy	Copying a feeling sentence	10 min

Grade 1

Grade 1: 54 activities.

Grade 1 · **Listening** 15 activities

Level A: Starting support (5)

Find the Cat	Listening for an animal word	4 min
The Blue Ball	Listening for a color word	4 min
Sunny Day	Listening for a weather word	4 min
Who Says Moo?	Listening for an animal and its sound	4 min
Find the Round Shape	Listening for a shape word	4 min

Level B: Growing (6)

Ana Helps	Listening for what someone does	4 min
Two Snacks	Listening for two things	4 min
Going to School	Listening for how someone travels	4 min
Ice in the Sun	Listening for what something turns into	4 min
Who Has More?	Listening for more and less	4 min
At the Doctor	Listening for a tool and its job	4 min

Level C: Expanding (4)

Rosa and the Snow	Listening to find why	4 min
Crossing the Street	Listening for two safety rules	4 min
Tim Gets Ready for Bed	Listening for the order of events	4 min
A Letter for Ana	Listening to find who did something	4 min

Grade 1 · **Reading** 14 activities

Level A: Starting support (5)

Read: sun	Reading a short word	4 min
Read: red hat	Reading a two-word phrase	4 min
Read: big dog	Reading a describing word	4 min
Read: fish	Reading a short word	4 min
Read: wash hands	Reading a two-word phrase	4 min

Level B: Growing (5)

The Cat Naps	Reading a sentence for where	4 min

Sam and the Rain	Reading two sentences for a detail	4 min
The Seed Grows	Reading a short story in order	4 min
The Moon at Night	Reading two sentences for a detail	4 min
Jen's Apples	Reading a number story	4 min

Level C: Expanding (4)

Parts of a Plant	Reading a science text for a detail	4 min
Ice Turns to Water	Reading to put events in order	4 min
Lunchroom Rules	Reading to find two rules	4 min
A New Friend	Reading to find how a character helps	4 min

Grade 1 · **Speaking** 13 activities

Level A: Starting support (4)

Name It: Garden	Naming objects in a picture	4 min
Name It: Breakfast	Naming foods	4 min
Name It: Playground	Naming playground things	4 min
Name It: Farm	Naming animals in a picture	4 min

Level B: Growing (5)

Tell About the Rain	Describing a picture with two words	4 min
Tell About the Bus	Telling what happens next	4 min
Tell How It Grew	Telling two steps in order	4 min
Tell About Lunch	Describing people and what they do	4 min
How Does He Feel?	Telling a feeling and a reason	4 min

Level C: Expanding (4)

What Happens to Ice?	Telling what happens in order	4 min
Helping at Home	Telling how you help, with first and next	4 min
Welcome, New Friend	Saying what you would do and why	4 min
Foods That Help Me Grow	Explaining with because	4 min

Grade 1 · **Writing** 12 activities

Level A: Starting support (4)

Label the Fruit	Writing a label	10 min
A Pet I Like	Writing a word with a drawing	10 min

Weather Word	Writing a weather word	10 min
Label the Shapes	Writing a label	10 min
Level B: Growing (5)		
I Like Sentence	Writing a sentence with I like	10 min
I See Sentence	Writing a sentence about a picture	10 min
Thank You	Writing a short thank-you	10 min
I Can Sentence	Writing a sentence about what you can do	10 min
Today It Is...	Writing a weather sentence	10 min
Level C: Expanding (3)		
How to Wash Hands	Writing two steps with first and then	10 min
My Family Eats Together	Writing two sentences about family	10 min
The Ice Changes	Writing what happens in a science picture	10 min

Grades 2–3

Grades 2–3: 88 activities.

Grades 2–3 · **Listening** 22 activities

Level A: Starting support (7)

Who Waters the Garden?	Listening for who does an action	4 min
What Keeps Sam Dry?	Listening for an object named in a story	4 min
What Is in Maya's Lunch?	Listening for a food word	4 min
Where Does Leo Wait?	Listening for a place	4 min
Who Sits on the Log?	Listening for who does an action	4 min
Measuring a Pencil	Listening for a tool and a number	4 min
Leo's Healthy Lunch	Listening for foods and a drink	4 min

Level B: Growing (7)

Shopping at the Market	Listening for more than one item	4 min
How Ana's Beans Grew	Listening for the order of events	4 min
Library Visit	Listening for things to do and not do	4 min
Taking Turns	Listening for who goes next	4 min
Solid, Liquid or Gas?	Listening to classify what you hear	4 min
Crossing Safely	Listening for the order of steps	4 min
Who Planted the Fewest?	Listening to compare numbers	4 min

Level C: Expanding (8)

Why Did the Plant Droop?	Listening to find a cause	4 min
The Lost Mitten	Listening to infer where something is	4 min
Too Many Tomatoes	Listening for a problem and a solution	4 min
What Should Mia Wear?	Listening to apply information to a choice	4 min
Why Owls Have Big Eyes	Listening to find why	4 min
Mia Makes a Friend	Listening to explain a feeling	4 min
What Plants Need	Listening for all the facts	4 min
Sam's Kite	Listening to find a cause	4 min

Grades 2–3 · **Reading** 22 activities

Level A: Starting support (7)

Match the Sentence	Reading a sentence and matching a picture	4 min
Where Is the Cat?	Reading position words	4 min
The Big Bus	Reading for a describing word	4 min
Rainy Day	Reading to find what someone needs	4 min
At the Pond	Reading for where	4 min
Mia Measures	Reading for what someone does	4 min
The Red Barn	Reading for who and where	4 min

Level B: Growing (7)

Garden Jobs	Reading to find who does a job	4 min
Leo's Library Card	Reading to find why	4 min
At the Fruit Stand	Reading for a number detail	4 min
Puddle Fun	Reading to find a feeling	4 min
How to Wash Your Hands	Reading steps to find what comes next	4 min
Why the Moon Shines	Reading an information text for a reason	4 min
Helpers Who Keep Us Healthy	Reading to find who does a job	4 min

Level C: Expanding (8)

Grow a Bean in a Cup	Reading the steps of a how-to text	4 min
Our Neighborhood Garden	Reading for the main idea	4 min
The Late Bus	Reading to find a problem	4 min
Clean-Up Day	Reading to find all the facts	4 min
Three States of Matter	Reading a science text to match a description	4 min
How a Plant Grows	Reading to put events in order	4 min
A Letter's Trip	Reading to put steps in order	4 min
Sharing Cookies	Reading a number story to compare	4 min

Grades 2–3 · **Speaking** 22 activities

Level A: Starting support (7)

What Do You See in the Garden?	Naming people and objects in a scene	4 min
On the Breakfast Table	Naming foods	4 min
At the Playground	Naming places and actions	4 min
In the Library	Naming objects in a place	4 min
At the Pond	Naming animals and places	4 min
Shapes on the Table	Naming shapes and colors	4 min
Line Up at the Door	Describing what people are doing	4 min

Level B: Growing (7)

A Rainy Day	Describing weather and clothing	4 min
At the Fruit Stand	Describing with color and number words	4 min
Waiting for the Bus	Telling what is happening and what comes next	4 min
Lunch with a Friend	Describing people and what they do	4 min
A Snowy Day	Describing weather and clothing	4 min
The Mail Carrier's Job	Describing a community helper's job	4 min
Why We Wash Hands	Explaining a reason with because	4 min

Level C: Expanding (8)

Tell the Bean Story	Narrating a sequence from pictures	4 min
Sharing the Harvest	Explaining why people act	4 min
Plan for a Rainy Day	Explaining a plan with reasons	4 min
Show a New Student Around	Giving a short tour with directions	4 min
How to Cross the Street	Explaining steps with first, next and last	4 min
Water Gets Hot	Explaining a change in matter	4 min
Help a Sad Friend	Telling what you would say and do, and why	4 min
A Family Meal	Telling about a family meal with details	4 min

Grades 2–3 · **Writing** 22 activities

Level A: Starting support (7)

Label the Garden	Writing labels for a picture	10 min
My Favorite Fruit	Writing one sentence with like	10 min
Today's Weather	Writing a sentence about the weather	10 min
All About Me Card	Writing facts about yourself	10 min
Label the Pond	Writing labels for a picture	10 min
My Shape Picture	Writing shape words	10 min
How Does She Feel?	Writing a feeling sentence	10 min

Level B: Growing (7)

A Book I Like	Writing two sentences: a topic and a detail	10 min
Recess Report	Writing what you see and do	10 min
Thank-You Note	Writing a short note to a neighbor	10 min
Breakfast Plan	Writing a list and a sentence	10 min
The Night Sky	Writing two sentences about a picture	10 min
Animals on the Farm	Writing what animals do	10 min
A Meal with My Family	Writing three sentences about a family meal	10 min

Level C: Expanding (8)

How to Plant a Seed	Writing a how-to with order words	10 min
The Puddle Story	Writing a short story with a beginning, middle and end	10 min
Should Our School Have a Garden?	Writing an opinion with two reasons	10 min
Invite a Neighbor	Writing an invitation with details	10 min
Ice, Water and Steam	Writing to explain a science idea	10 min
How to Cross the Street	Writing steps with signal words	10 min
A Note for a New Student	Writing a friendly note	10 min
Pack a Healthy Lunch	Writing a choice with a reason	10 min

Grades 3–5

Grades 3–5: 270 activities. Shown when Grades 4–5 is chosen on the lab home.

Grades 3–5 · **Listening** 67 activities

Level A: Starting support (23)

Where Does the Book Go?	Following a one-step classroom direction with place words	4 min
What Do You Need for Math?	Listening for needed items in a direction	4 min
Find Amir on the Playground	Locating a person with place words	4 min
Which Circle Did You Hear?	Matching a spoken fraction description to a model	5 min
The Part That Drinks Water	Identifying a plant part from its job	4 min
How Many Apples?	Listening for numbers in a math story	5 min
Who Read More?	Comparing two numbers heard in a short story	4 min
What Is the Weather?	Matching a weather report to a symbol	4 min
Water or Land?	Sorting animals by habitat from an oral description	5 min
Who Am I?	Identifying a community helper from a clue	4 min
Lucía's Morning	Putting three spoken steps in order	5 min
Mei's Mitten	Identifying a character's feeling at the end of a story	5 min
When Is Lunch?	Catching a time in a school announcement	4 min
Library Rules	Finding all the rules in a short talk	4 min
The Bus Note	Listening for numbers in a message	4 min
Getting Ready for Recess	Putting steps in order with first, next, last	4 min
Measuring the Plant	Listening for a science tool and a unit	4 min
Fire Drill Steps	Putting safety steps in order	4 min
Sleep Helps You Learn	Catching numbers in a health talk	4 min

Coins in a Pocket	Hearing money amounts and adding them	4 min
Shape Riddle	Naming a shape from its sides and corners	4 min
Why Is Leo Sad?	Understanding a short talk between two students	4 min
Who Am I?	Guessing a community helper from clues	4 min
Level B: Building support (23)		
The Bean Plant Experiment	Sequencing steps of a science experiment	6 min
A Butterfly Grows	Listening for life-cycle stages and sequence words	6 min
Getting Around Baltimore	Listening for time order in a history talk	6 min
Walk to the New Library	Following a route with position and sequence words on a map	6 min
Why Recess Moved	Identifying cause and effect in an announcement	6 min
Nadia Practices	Explaining why a character succeeds	6 min
Pack for the Aquarium	Using time words to infer what someone needs	6 min
Which Step of the Water Cycle?	Identifying a science process from a description	6 min
Boxes of Markers	Understanding a multiplication word problem	6 min
How Much Did It Grow?	Listening for measurements and finding the difference	6 min
Solid, Liquid, or Gas?	Classifying examples from a science explanation	7 min
Library Rules	Identifying several details in a talk	6 min
Recycling Day Plan	Finding the main idea of a short talk	5 min
Which Game Won?	Using numbers from a talk to compare	5 min
Museum Trip Plan	Listening for details about people, places, and times	5 min

How Rain Happens	Sequencing steps in a science explanation	5 min
Caring for a Class Pet	Finding several details in a care talk	5 min
Solid, Liquid, or Gas?	Sorting examples from a science talk	5 min
Why Use a Ramp?	Finding the main benefit in a science explanation	5 min
Directions to the Library	Following spoken directions in order	5 min
A Fair Plan for the Swings	Understanding the problem a plan solves	5 min
Sharing Pizza	Comparing fractions in a spoken story	5 min
Five Food Groups	Finding which foods belong to one group	5 min

Level C: Stretching support (21)

Busy Bees: The Main Idea	Identifying the main idea of a science mini-lecture	8 min
Kwame Fixes His Bike	Identifying the theme of a story	8 min
Harriet Tubman's Journeys	Identifying accurate details in a history talk	9 min
Mystery Animal Habitat	Inferring a habitat from animal adaptations	8 min
Science Fair Update	Making an inference from an announcement	8 min
Samir's Conclusion	Drawing a conclusion from a science conversation	8 min
The Water Bottle Debate	Following an argument and a response to another view	8 min
Student Council Choice	Identifying a speaker's supporting evidence	8 min
Energy in a Meadow	Sequencing a food chain from a science explanation	8 min
Why Is One Fourth Bigger?	Understanding a math explanation	8 min
Why the Moon Changes	Taking notes on a science mini-lecture	8 min
Weathering, Erosion, Deposition	Applying science definitions to new examples	9 min

Why the Puddle Disappeared	Understanding cause and effect in a science talk	6 min
Is This a Fair Test?	Judging a plan by listening for what changes	6 min
Where Do They Live?	Sorting details from a nature talk	6 min
The Arctic Fox's Coat	Explaining why an animal changes with the seasons	6 min
Nia's Plant Test	Drawing a conclusion from an investigation	6 min
Using Your Five Senses	Finding all the correct details in a science talk	6 min
A Letter to the Mayor	Identifying a speaker's purpose and reasons	6 min
Letters Then, Videos Now	Finding the main idea in a talk about the past and present	6 min
A Message from the Nurse	Understanding the purpose of a phone message	6 min

Grades 3–5 · **Reading** 70 activities

Level A: Starting support (24)

Amara's Garden	Finding a key detail with a picture	5 min
At the Library	Clicking the sentence with a detail	5 min
A Day at the Park	Choosing two details from a text and picture	5 min
A Rainy Morning	Finding a cause	5 min
Parts of a Plant	Reading a labeled diagram	5 min
Saturday Market	Completing sentences with words from a text	6 min
A Tree in Four Seasons	Using a picture and text to find a detail	5 min
Good Night, Sky	Finding a detail in a poem	5 min
From Egg to Frog	Putting events in order	6 min
Recycling Day	Sorting using details from a text	6 min
Our Favorite Fruit	Reading a pictograph	5 min
Class Pets	Reading a table	5 min

Sam's New Bike	Finding who, what, and where in a short story	6 min
Planting a Seed	Putting steps in order from a text	6 min
Class Weather Table	Reading a table to answer a question	6 min
Signs in the Park	Finding all the rules on a sign	6 min
The Class Garden	Choosing words that fit the meaning	6 min
A Rainy Day: Why Inside?	Finding the reason for an event	6 min
A Rainy Day: What Happened?	Putting events in the order they happen	6 min
Shelly the Turtle: Her Tank	Finding all the details about a place	6 min
Shelly the Turtle: Words That Fit	Choosing words that fit the meaning	6 min
Wash Your Hands: The Steps	Putting steps in order from directions	6 min
Wash Your Hands: How Long?	Finding a number in directions	6 min
Puddle Day: How Does the Speaker Feel?	Using clues in a poem to tell how someone feels	6 min
Level B: Building support (24)		
A Letter to Abuela	Finding the author's purpose in a letter	7 min
City Rain	Finding details in a poem	7 min
The Reading Challenge	Finding the main idea with a graph	8 min
How to Plant a Bean Seed	Ordering steps in a procedure	7 min
Bats Help Farmers	Finding a cause-and-effect sentence	7 min
Hana's Kite	Cause and effect in a story	7 min
Turtles and Frogs	Comparing two animals	8 min
Market Day	Using context clues for a new word	6 min
The Lemonade Stand	Using a table to solve a word problem	8 min
Our Rain Gauge	Using a bar graph and a text	8 min
Field Trip Day	Reading a schedule table	7 min
A New Recess Game	Making a prediction from a pictograph	7 min
Reading Time Chart	Using a bar chart to compare quantities	8 min
Why Bees Dance	Finding the sentence that gives a reason	8 min

Fact or Opinion?	Telling facts from opinions in a short review	8 min
What Helps a Seed Sprout?	Finding several supporting details	8 min
Meaning from Clues	Using context clues to find a word's meaning	8 min
Three States of Matter: Main Idea	Finding the main idea of an informational text	8 min
Three States of Matter: Sort the Examples	Sorting examples by category from a text	8 min
At the Market: How Much Is Left?	Using a price table to solve a money problem	8 min
At the Market: True Statements	Comparing data in a table	8 min
Mei's First Day: Figurative Language	Understanding what a phrase shows about a character	8 min
Mei's First Day: Find the Proof	Finding the sentence that gives evidence	8 min
Levers: Words in Context	Using context to choose science words	8 min

Level C: Stretching support (22)

The New Student	Inferring a character's reasons	10 min
A Letter to the Mayor	Identifying reasons in a persuasive letter	10 min
Abuelo's Garden	Understanding figurative language in a poem	10 min
The Water Cycle	Sequencing a process with headings and a diagram	10 min
Ellen Ochoa: Reaching for the Stars	Choosing the best evidence for a character trait	10 min
Volcanoes	Summarizing with headings	10 min
Desert and Rainforest	Comparing two texts	10 min
Baltimore's Railroad	Using a timeline table and headings	10 min
Monarchs in Our Garden	Making an inference from a text and graph	10 min
Lights Out, Power Down	Cause and effect with a bar graph	10 min
Making Arepas with Abuela	Using a recipe table and steps	10 min
Neighborhood Clean-Up Day	Comparing data in a bar graph	10 min

The Bridge That Moves	Finding the main idea and key details in an informational text	10 min
A Persuasive Poster	Finding the claim and reasons in a persuasive text	10 min
Comparing Two Energy Plans	Using a table to compare and draw a conclusion	10 min
How a Seed Becomes a Tree	Using transition words that show how ideas connect	10 min
How Maps Help Us: Find the Evidence	Finding the sentence that explains a term	10 min
How Maps Help Us: Map Features	Matching map features to what they do	10 min
Getting Around: Long Ago or Today?	Sorting details into past and present	10 min
Getting Around: Complete the Summary	Completing a summary with details and transitions	10 min
From Seed to Bean Plant: Life Cycle Order	Putting the stages of a life cycle in order	10 min
From Seed to Bean Plant: Reading the Chart	Using a bar chart to find a change in measurement	10 min

Grades 3–5 · **Speaking** 66 activities

Level A: Starting support (22)

What Do You See at Recess?	Describe people and actions in a picture	6 min
A Visit to the Library	Describe a place and what people do there	6 min
Sunny Day, Rainy Day	Compare two pictures with weather words	6 min
Shapes on a Quilt	Name and count shapes	5 min
Best Answer: The Garden	Choose a strong spoken description	4 min
Word or Full Sentence?	Tell a full spoken sentence from a single word	5 min
The Lost Dog	Tell a picture story in order	7 min
How a Plant Grows	Explain steps in a process	6 min
Classroom Jobs	Describe and explain a job	6 min
Shopping at the Market	Say what you like and why	6 min

Ask for Help	Ask a teacher for help politely	5 min
Best Answer: Favorite Season	Choose an answer with an opinion and a reason	4 min
My Favorite Lunch	Describe a favorite food with details	5 min
Someone in My Family	Describe a family member with details	5 min
Kind Words for a Friend	Say kind words to a friend who feels sad	5 min
A Job in Our Classroom	Explain what someone does in a classroom job	5 min
Asking a Teacher for Help	Ask for help politely and say what you need	5 min
Summer or Winter?	Compare two choices with a reason	5 min
What Does a Plant Need?	Explain what living things need	5 min
Order Your Lunch	Order food politely and say thank you	5 min
Borrow a Ruler	Ask a classmate to share a tool and give a reason	5 min
Today's Weather	Describe weather and what to wear	5 min

Level B: Building support (23)

A Morning at the Market	Describe a scene with details	7 min
Dinner Together	Describe a scene and connect it to your life	7 min
Give Directions	Give directions using a map	8 min
Talking to a Friend or the Principal?	Match how you speak to who you are talking to	6 min
The Rainy Picnic	Narrate a picture story with connecting words	8 min
Best Answer: Tell It in Order	Choose the retell that uses connecting words	5 min
Sun or No Sun?	Explain the results of an experiment	8 min
Lemonade Math	Explain how to solve a math problem	7 min
Sort the Recycling	Explain how and why to recycle	7 min
Take Care of the Garden	Explain steps to care for plants	7 min
Best Answer: Why Did It Change?	Choose the answer that explains a cause	5 min

Farm or Aquarium?	Give an opinion with two reasons	8 min
My Morning Routine	Tell the steps of a routine with sequence words	7 min
Teach a Game	Explain the rules of a game in order	7 min
Dog or Cat?	Compare two things with alike and different words	7 min
Talk About Our Data	Describe data from a small table using numbers	7 min
Invite a Friend	Invite someone and give the important details	7 min
Explain How to Wash Your Hands	Explain a process in order and tell why it matters	7 min
Retell a Story	Retell a story with a beginning, middle, and end	7 min
Compare Two Shapes	Compare two shapes using math words	7 min
Talk About a Bar Chart	Describe and compare data from a bar chart	7 min
Leave a Phone Message	Leave a clear voicemail with who, why, and what you need	7 min
How Community Helpers Help	Explain how a community helper's work helps people	7 min
Level C: Stretching support (21)		
The Ice Cube Race	Explain an experiment, its result, and the reason	9 min
The Life Cycle of a Plant	Explain a cycle with academic vocabulary	9 min
Spend Five Dollars	Explain a plan using math reasoning	10 min
Why Communities Need Markets	Explain how a place helps a community	9 min
Where Should the Playground Go?	Argue for a choice using evidence from a map	10 min
Solve a Recess Problem	Explain a problem and argue for a solution	9 min
How Many Books?	Argue an opinion with reasons and a counterargument	9 min

Plan Field Day	Compare conditions and make a recommendation	9 min
Best Answer: Field Trip Opinion	Choose the most developed spoken opinion	6 min
Strong Reason or Weak Reason?	Judge whether a reason supports an opinion	7 min
The Lost Dog, Told Your Way	Narrate with details, feelings, and dialogue	9 min
Talk About a Character	Describe a character and support with evidence	9 min
Should Recess Be Longer?	State an opinion with two reasons and a counterpoint	8 min
A Problem at School	Describe a problem and propose a solution with reasons	8 min
Explain the Water Cycle	Explain a process in science with sequence and cause	8 min
Retell and Respond	Retell a story with beginning, middle, and end, then respond	8 min
Ask for More Reading Time	Persuade a leader with reasons and a response to a worry	8 min
The Best Healthy Habit	Give an opinion with reasons and an example	8 min
Water Changes State	Explain how water changes among solid, liquid, and gas	8 min
Explain the Plant Data	Describe a data table and draw a conclusion	8 min
Then and Now	Compare life in the past and today with details	8 min

Grades 3–5 · **Writing** 67 activities

Level A: Starting support (23)

Write About the Park	Describe a picture with simple sentences	8 min
Picture Story: The Seed	Narrate a three-picture story with first, next, last	9 min
Write About the Shapes	Describe shapes with numbers and colors	7 min

What Is the Weather?	Describe weather and clothing	7 min
How to Make a Sandwich	Explain steps in order	8 min
Pick a Class Pet	Give an opinion with a reason	8 min
A Community Helper	Inform about a job in the community	8 min
Fix the Action Words	Choose the correct verb form	6 min
Build a Paragraph: A Card for Grandma	Put sentences in order	6 min
Pick the Best Sentence	Choose a complete, correct sentence	5 min
Worksheet — My Weekend Story	Printable story plan and writing lines	printable
Worksheet — My Favorite Food	Printable opinion writing	printable
My Weekend	Write 2-3 sentences about what happened with time words	8 min
A Thank-You Note	Choosing words for a thank-you note	8 min
My Favorite Place	Describe a place using sense words	8 min
How to Make a Snack	Write steps in order with sequence words	8 min
Best Class Pet	Write an opinion with a reason	8 min
Plan: My Favorite Animal	Plan a paragraph with a word web	8 min
Add Details to a Sentence	Make a plain sentence stronger with details	8 min
Edit: Capital Letters and Punctuation	Fix capital letters and end marks, then add a sentence	8 min
How to Get Ready for School	Write how-to steps with first, next, and last	8 min
A Note to a New Classmate	Write a kind note with a greeting and a closing	8 min
Observe with Your Senses	Write observations using the five senses	8 min
Level B: Building support (23)		
Picture Story: The Lost Backpack	Narrate a story with time words and feelings	10 min
Explain the Water Cycle	Explain a science process in order	11 min
Describe the Community Market	Describe a community place with details	9 min
Choose a Field Trip	Write an opinion with two reasons	10 min
Explain How You Solved It	Explain math steps in writing	10 min

Describe a Story Character	Describe a character with evidence	10 min
Help a New Student	Explain a school routine	9 min
Choose the Linking Words	Use because, so, but, then to connect ideas	7 min
Fact or Opinion?	Tell facts from opinions	7 min
Join Two Ideas	Choose the best way to combine sentences	6 min
Worksheet — Beginning, Middle, End Story Map	Printable story planner	printable
Worksheet — Opinion Planner (O-R-E-O)	Printable opinion organizer	printable
Should We Have a Class Garden?	Write an opinion paragraph with two reasons	10 min
Opinion: More Trees at School	Write an opinion paragraph with two reasons	10 min
City and Country	Compare two places with alike and different words	10 min
Put the Paragraph in Order	Order sentences to make a clear paragraph	10 min
What We Found: Ice Melts	Report results from data in a sentence or two	10 min
A Problem and a Solution	Write a short story with a problem and a solution	10 min
Draft: A Community Helper	Draft a paragraph with a topic sentence, details, and a closing	10 min
Revise: Add Transition Words	Revise choppy sentences with transition words	10 min
Summarize: The Monarch Journey	Write a short summary with the main idea and key details	10 min
Explain Your Math Thinking	Explain how you know one fraction is greater than another	10 min
Story: The Lights Go Out	Write a story with a beginning, middle, and end	10 min
Level C: Stretching support (21)		
Picture Story: Clean-Up Day	Narrate a developed story with transitions and a closing	13 min

Finish the Mystery Story	Narrate an ending with details and dialogue	13 min
How to Make a Bird Feeder	Explain a procedure with precise verbs and transitions	12 min
Write About the Bean Plant Data	Inform using data from a bar graph	12 min
Compare Two Habitats	Compare and contrast using data from a table	13 min
A Person Who Made a Difference	Inform about a historical figure	13 min
Should Recess Be Longer?	Write an opinion paragraph with reasons and a closing	13 min
Build an Informational Paragraph: Bees	Order a paragraph with a topic sentence, details, and closing	8 min
Topic Sentence, Detail, or Closing?	Identify the job of each sentence	8 min
Choose the Most Precise Sentence	Choose the sentence with the strongest details	6 min
Worksheet — Informational Paragraph Planner	Printable planner for topic, details, transitions, closing	printable
Worksheet — Opinion Paragraph Organizer	Printable organizer with reasons and the other side	printable
Should Students Wear Uniforms?	Write an argument with a claim, evidence, and a counterclaim	12 min
A Letter to the Principal	Write a formal letter with a request and reasons	12 min
Opinion: Walk to School with a Buddy	Write an opinion paragraph with reasons and a counterargument	12 min
Explain Our Plant Experiment	Write a science explanation with a claim, evidence, and reasoning	12 min
Science Report: Melting Ice	Write an observation report with data and a conclusion	12 min
A Day I Learned Something	Write a personal narrative with details, feelings, and reflection	12 min
Compare: School Then and Now	Write a compare paragraph about the past and present	12 min
Letter: A Safer Crosswalk	Write a formal letter that makes a request with reasons	12 min
Revise and Edit: Plants and Light	Revise for transitions and edit for capital letters and punctuation	12 min

Grades 6–8

Grades 6–8: 454 activities.

Grades 6–8 · **Listening** 106 activities

Level A: Starting support (34)

Weather Words: Follow a Direction	Follow simple oral directions	5 min
Follow the Lab Safety Steps	Following one-step oral directions	5 min
Get the Right Supplies	Follow simple oral directions	5 min
In the Lunch Line	Understand everyday school language	5 min
Coach's Direction	Follow oral directions in sports	5 min
Listen: Find It on the Map	Following oral directions with position words	5 min
Fire Drill Steps	Sequence oral steps	6 min
Lab Safety Steps	Following spoken multi-step directions	6 min
Listen: The Water Cycle	Following multi-step science directions in order	6 min
Maya's Destination: Listen for a Detail	Listen for who, what, where, and when	6 min
The Lab Sheet: Listen for the First Step	Combine listening and evidence	5 min
Numbers in Math Class	Identifying spoken numbers and quantities	5 min
Today's Weather	Identify a key detail	5 min
Bring These Tomorrow	Identify multiple details	6 min
Today's Weather Report	Listening for key details	5 min
Listen: Numbers in the Cafeteria	Identifying multiple spoken quantities	5 min
What Plants Need: Listen for the Main Idea	Identify the main idea	5 min
Compare Decimals: Listen for the Larger Amount	Understand simple academic directions	6 min
The Morning Announcement	Complete a spoken summary	6 min
Parts of a Plant	Listening to fill missing words	5 min
Listening in Science Class	Listen for academic science details	12 min

School Scenario Sort	Connect language to school situations	6 min
Where in School?	Connect language to school places	6 min
Cafeteria Rules	Listening to sort information	6 min
Worksheet — Leon the Chef (Listening)	Printable practice	printable
Listening for Clue Words	Use listening strategies	10 min
Understanding Announcements	Listen for who, what, where, when	10 min
School Store Sale	Catching an item and a percent in an announcement	5 min
What Is a Variable?	Understanding a short definition of a math word	5 min
Lab Safety Steps	Putting lab directions in order	5 min
Plot the Point	Following directions on a coordinate plane	5 min
Museum Trip Announcement	Catching times and places in a school announcement	5 min
Where Did the Puddle Go?	Understanding a short science explanation	5 min
A Recipe Ratio	Hearing a ratio in a recipe	5 min
Level B: Building support (36)		
Recycling Benefits: Listen for the Main Idea	Identify the main idea	6 min
Energy in an Ecosystem	Listening to identify a main idea	8 min
A Class Debate	Identify a speaker's opinion	6 min
Who Said It?	Connect language to careers	7 min
The Rescheduled Field Trip: Listen for the Date	Listen for who, what, where, and when	6 min
Class Project Directions	Selecting multiple key details from speech	6 min
The Recycling Project	Identify multiple details in an explanation	7 min
The Community Garden	Identify multiple supporting details	7 min
Three Branches of Government	Listening for multiple key details	8 min
Listen: The Recycling Podcast	Selecting several supporting details from connected speech	7 min

Pack Your Notebook: Follow Ordered Directions	Follow multi-step oral directions	6 min
Steps of the Water Cycle Talk	Sequencing a spoken process	6 min
Steps of the Experiment	Sequence oral lab steps	7 min
The Water Cycle Explained	Sequencing a spoken process	8 min
Listen: Class Debate Rules	Sequencing procedural directions from speech	6 min
Buying Pencils: Listen for Costs	Understand academic oral language	7 min
The Water Cycle	Identify a key science detail	6 min
Saving Your Project	Complete a spoken procedure	7 min
A Talk About Bridges	Complete an academic summary	7 min
Math Talk: Comparing Rates	Listening to academic reasoning	8 min
Listen: The Weather Report	Listening for details to complete a report	6 min
The Late Bus: Listen for Cause and Effect	Combine listening and evidence	6 min
School Scenario Sort	Connect language to school situations	7 min
Why Did Recess Move Inside?	Identifying cause and effect in a short announcement	7 min
Pick the Evidence: The Class Pet Vote	Selecting the evidence that supports a conclusion you heard	8 min
Two Paint Mixes, One Color	Following a math explanation about equivalent ratios	7 min
Jacket on Sale	Listening for a discount and a sale price in a dialogue	7 min
Steps to Find the Median	Putting the steps of a math procedure in order	7 min
Why Half? The Area of a Triangle	Finding the true statements in a student's geometry explanation	7 min
Student Council Interview	Finding a speaker's main promise and reason in an interview	7 min
The Silk Road	Finding all the main ideas in a short history lecture	7 min
Roles in an Ecosystem	Sorting details from a science talk into groups	7 min

Marbles in a Bag	Listening for the data needed to find a probability	7 min
Solve x + 7 = 15	Putting the steps of solving an equation in order	7 min
What a Ratio Table Shows	Finding the true statements in a math mini-lesson	7 min
School Garden Grant	Finding the main idea and a key number in a news report	7 min

Level C: Stretching support (36)

Filling Gaps in a Science Lecture	Catching precise academic vocabulary	7 min
Listen: Why Leaves Change Color	Identifying the main idea of a science mini-lecture	7 min
Listen and Summarize: The Silk Road	Summarizing a history mini-lecture	9 min
Listen: Finding the Better Buy	Following a math explanation with precise vocabulary	7 min
Listen and Explain: The Gift of the Nile	Explaining cause and effect from a history talk	9 min
Listen: Finding a Sale Price	Following a percent explanation with precise math vocabulary	7 min
Listen: Which Number Describes a Typical Student?	Following a data explanation and its reasoning	8 min
Listen: A Speaker at the City Council	Determining a speaker's purpose	7 min
Listen: What Went Wrong in the Lab?	Inferring a conclusion from a peer discussion	7 min
Listen: How the Erie Canal Changed a Nation	Identifying several effects in a history mini-lecture	8 min
Listen: A Tour Guide at a Textile Mill	Identifying a speaker's purpose	7 min
Listen: Standing on the Curb	Inferring a character's attitude from spoken narration	7 min
Listen: How Does This Ad Persuade?	Identifying persuasion techniques in a spoken ad	8 min
Comparing Two Class Surveys	Interpreting comparative data in speech	7 min
Listen: Two Students Debate a Water Station	Comparing two speakers and finding common ground	8 min

Listen: Which Evidence Is Strongest?	Evaluating the strength of spoken evidence	8 min
Listen: Two Views on a Later School Start	Attributing claims to two different speakers	8 min
Listen: Evidence That Bees Matter	Identifying evidence a speaker uses to support a claim	8 min
Listen: Two City-States, Two Ways of Life	Sorting details by topic across two speakers	8 min
Listen: A Recycling Proposal at School	Following a proposal and a response between two speakers	8 min
Listen and Respond: The Empty Lot	Taking a position after hearing two community speakers	9 min
Listen: How Sedimentary Rock Forms	Sequencing a science process from a lecture	8 min
Listen: Why the Wind Blows Off the Ocean	Following a cause-and-effect explanation in science	7 min
Listen: How Dirty Water Becomes Drinking Water	Sequencing the stages of a science process from a talk	8 min
Take Notes: How Heat Moves	Taking notes on a short science talk and summarizing them	9 min
Complete the Notes: Absolute Value	Completing notes about a math concept from a spoken explanation	9 min
Take Notes: The Erie Canal	Taking notes on a history talk and writing a summary	9 min
Critique a Classmate's Reasoning	Listening to a classmate's reasoning and writing a respectful critique	9 min
Find the Mistake: Three Times a Sum	Following a student disagreement and finding the error in reasoning	9 min
Why Use a Unit Rate?	Understanding why a speaker uses an example	9 min
Two Views on Later School Start Times	Comparing two speakers' positions and finding what they agree on	9 min
A Podcast About Screen Time	Identifying a speaker's purpose and attitude	9 min
The Museum Guide's Clue	Making an inference from what a speaker says and how	9 min

How Many Tickets Can We Buy?	Following reasoning with an inequality in a real situation	9 min
How Much Did the Price Go Up?	Following a percent change calculation in a spoken explanation	9 min
A Student Presentation: Volume of a Box	Identifying the reasoning a presenter uses to justify an answer	9 min

Grades 6–8 · **Reading** 78 activities

Level A: Starting support (27)

Saving Water: Find the Main Idea	Identify main idea in a short text	8 min
School Recycling: Find a Supporting Detail	Find a supporting detail	6 min
Daily Reading: Compare Minutes	Compare two details	6 min
A Note from the Office	Locating explicit information	5 min
The School Garden, Part 1	Locate an explicit detail	5 min
The School Garden, Part 3	Determine central idea	5 min
True Details from the Text	Identify multiple details	6 min
Our Class Pet	Read for key details in a short narrative	6 min
Why Bees Matter: Find the Main Idea	Identifying the main idea of a short text	6 min
Plant Observations: Use Context Clues	Understand an academic verb	6 min
Reusing Materials: Use Context Clues	Use context clues	5 min
A Firefighter's Morning	Use context to choose the right word	6 min
Read: Choose the Right Word	Using context to choose vocabulary	6 min
Put Steps in Order	Follow sequence words	6 min
Parts of a Plant	Completing a sentence from a short text	5 min
The School Garden, Part 2	Sequence story events	6 min
Finish the Summary: Morning Routine	Complete a text summary	6 min
Read: Read the Schedule	Finding information in a simple chart	6 min
Drinking Water: Identify the Author's Purpose	Identify author purpose	6 min
Fact or Opinion?	Distinguish fact from opinion	6 min

Sara as a Teammate: Support Your Answer	Support an answer with text	8 min
Where Does Rain Come From?	Cite text evidence in an informational text	7 min
Fact or Opinion: School Recess	Sort facts and opinions	6 min
Worksheet — Math in the Garden (Reading)	Printable practice	printable
Worksheet: Context Clues	Use context clues to find word meaning	15 min
Worksheet: Main Idea and Details	Identify main idea and supporting details	15 min
Worksheet: Text Structure	Recognize informational text structures	15 min
Level B: Building support (27)		
The School Garden: Write a Summary	Read a short informational passage	8 min
Finding the Main Reason	Identifying supporting evidence	6 min
How Volcanoes Form, Part 1	Locate explicit information	5 min
Causes of the American Revolution	Identify multiple supporting details	10 min
Picking the Right Word in Context	Using context to choose vocabulary	6 min
Finish the Summary: Recycling Data	Interpret data in text	6 min
Word Meaning: Coral Reefs	Use context clues to determine word meaning	10 min
Crowded Hallways: Identify Problem and Solution	Read a short informational passage	8 min
How Volcanoes Form, Part 2	Sequence a process	6 min
Where Would You Look?	Use text features	6 min
How a Volcano Erupts	Sequence steps in an explanatory text	9 min
Read: Put the Events in Order	Sequencing events from a narrative text	8 min
Longer Library Hours: Make an Inference	Use text evidence to infer	10 min
Study Groups: Identify Cause and Effect	Identify cause and effect	8 min
How Volcanoes Form, Part 3	Make an inference	6 min
Cause and Effect	Identify cause and effect	6 min

Use a Table and Details	Interpret table evidence	8 min
Author's Purpose	Determine author's purpose	5 min
More Reading Time: Choose Evidence	Choose best evidence	8 min
The Monarch's Long Journey	Cite the strongest evidence in an informational text	9 min
A Seat That Changed History	Write a short response with text evidence	11 min
Read: Find the Evidence	Selecting the sentence that best supports an answer	8 min
Compare Two Texts	Compare information across texts	8 min
Read: Compare Two Texts	Identifying shared ideas across two short texts	8 min
Worksheet: Making Inferences	Combine text clues with prior knowledge to infer	12 min
Worksheet: Cause and Effect	Identify cause-and-effect relationships in informational text	12 min
Worksheet: Text Features and Structure	Identify text features and informational text structures	12 min
Level C: Stretching support (24)		
Author's Argument and Evidence	Evaluating claim and support	7 min
Cite the Strongest Evidence: Street Trees	Selecting the evidence that best supports a claim	9 min
Find the Counterclaim: The Four-Day School Week	Identifying an author's counterclaim in an argument	9 min
Claim, Evidence, or Reasoning? School Gardens	Analyzing argument structure by sorting claim, evidence, and reasoning	9 min
Unit Rates in Real Life: The Best Buy	Comparing unit rates from a text and a table	10 min
Media Literacy: Fact, Opinion, or Call to Action?	Analyzing how a persuasive editorial mixes facts, opinions, and requests	9 min
Civic Reading: Should the Library Open on Sundays?	Writing a short evidence-based response from a civic text and a table	12 min
Synthesizing Two Details	Selecting accurate inferences	7 min
Make Inferences: The Montgomery Bus Boycott	Selecting all valid inferences from a history text	10 min

Text and Table: Budgeting the Class Trip	Integrating information from a text and a table to solve a problem	10 min
Compare Two Texts: Is Homework Fair?	Comparing two authors' perspectives on one topic	9 min
Compare Two Texts: The Erie Canal	Comparing how two texts present the same event	10 min
Supported Conclusions: Why Greenland Looks So Big	Choosing conclusions that a geography text supports	10 min
Percent and Data: What's in the Lunchroom Trash?	Using a bar chart and a text to check statements about parts of a whole	10 min
Find the Main Idea: When Coral Turns White	Identifying the sentence that states the central idea of a science text	8 min
Academic Vocabulary: Tiny Survivors	Using context to choose precise academic vocabulary	8 min
Word Meaning in Context: Day Zero	Determining the meaning of an academic word from context	8 min
Sequence History: The Journey of Paper	Ordering historical events from an informational text	9 min
Cause and Effect: A Wetland Cleans Water	Using cause-and-effect structure and a table to explain a process	9 min
Sequence an Experiment: Testing a Cure for Scurvy	Ordering events in a history-of-science text	9 min
Precise Words in a Story: The Lantern	Using context clues and word parts to choose precise words in a story	9 min
Author's Craft: Why Begin with Amara?	Analyzing the purpose of an author's structural choice	9 min
Author's Point of View: The Golden King of Mali	Identifying sentences that reveal an author's opinion	9 min
Infer a Character's Feelings: The Seat by the Driver	Inferring a character's feelings from actions and details	9 min

Grades 6–8 · **Speaking** 108 activities

Level A: Starting support (36)

Ask for Help Politely	Connect language to school situations	6 min
Ask for Help Politely	Using polite school phrases	5 min

Put the Spoken Introduction in Order	Speaking: Sequencing a short oral introduction	8 min
Sort Polite vs. Casual Phrases	Speaking: Choosing the right tone aloud	8 min
Introduce a New Friend	Use everyday social language to introduce a person aloud	10 min
Describe What You See	Explain a choice with a frame	6 min
Tell About a Picture	Describing what you see orally	5 min
Picture Talk: My Classroom	Describe a picture aloud	7 min
Picture Talk: My Lunch Tray	Describe items aloud with details	6 min
Worksheet — Picture Talk Practice (Speaking)	Printable practice	printable
Describe the Classroom Picture	Speaking: Describing a Picture (short oral response)	8 min
Speak: Describe the Science Picture	Describing an image with content vocabulary and frames	6 min
Measuring Length: Answer with a Reason	Explain a choice with a frame	8 min
Listening in Class: Choose a Helpful Response	Explain a choice with a frame	6 min
State a Preference	Explain a choice with a frame	6 min
Give Your Opinion: Favorite Subject	State an opinion with a reason aloud	6 min
Strong vs. Weak Spoken Answers	Judge the quality of a spoken answer	6 min
Which Answer Sounds Strongest?	Speaking: Choosing a clear spoken response	7 min
Reading an Assignment: Choose an Ordered Retell	Follow sequence words	6 min
Retell Your School Day	Retell events in order aloud	8 min
Order the Steps of a Good Retell	Sequence the parts of an oral retell	6 min
Worksheet — Explain a Process (Speaking)	Printable practice	printable
Speak: Retell Your School Day	Retelling events in order with time words	6 min
Worksheet — Life in the New World (Speaking)	Printable practice	printable
Compare Two Animals	Compare two things aloud	7 min

Worksheet — Compare & Contrast Talk (Speaking)	Printable practice	printable
Speak: Compare Two Shapes	Comparing objects using math vocabulary	6 min
Picture Talk: Compare Two Classrooms	Compare two pictures aloud with simple comparison words	10 min
Describe the Lunch Chart	Saying what a bar chart shows with most, fewest and total	6 min
Tell About a Class Schedule	Reading a schedule table aloud with times and order words	6 min
Describe the Winter Temperatures	Reading temperatures above and below zero from a table and saying warmest and coldest	6 min
Ask Your Teacher for Help	Asking for help with a math step in a polite and specific way	6 min
Disagree Politely	Choosing a polite way to disagree with a classmate's math answer	6 min
Store Counter: Say How Much You Save	Choosing a clear spoken reply that uses a percent of a price	6 min
Give a Reason with Because	Choosing a sentence that gives a math reason	6 min
Find the Missing Angle	Saying how to find the third angle of a triangle from two known angles	6 min
Level B: Building support (34)		
Project Due Date: Ask for Clarification	Understand academic oral language	8 min
Sort: Formal vs. Casual School Talk	Choose the right register for speaking	7 min
Complete the Spoken Explanation	Speaking: Explaining a school situation with academic language	10 min
Picture Talk: A Science Experiment	Describe and explain a picture aloud	8 min
Speak: Describe the Data	Explaining a simple chart in connected sentences	7 min
Compare Two Bar Graphs	Compare data aloud using academic language	9 min
Learning History: Support a Choice	Compare choices with evidence	8 min

Optional Homework: Respond Respectfully	Compare choices with evidence	8 min
Give an Opinion with a Reason	Stating and supporting an opinion orally	7 min
Persuasive Opinion: School Uniforms	State and defend an opinion aloud	9 min
Choose the Best Reasons to Say	Speaking: Supporting an opinion with strong reasons	10 min
Speak: State and Support an Opinion	Giving an opinion with two reasons	7 min
Speak: Make a Recommendation	Recommending a choice and justifying it	7 min
Solving Word Problems: Choose an Explanation	Use academic verbs	8 min
Explain How to Do Something	Giving sequenced oral directions	7 min
Explain a Process: The Water Cycle	Explain a process aloud in order	9 min
Retell and Explain a Word Problem	Restate a problem and explain a solution aloud	9 min
Order the Spoken Explanation of a Process	Speaking: Sequencing an academic explanation	10 min
Science Study Tools: Compare Choices	Compare choices with evidence	10 min
After-School Tutoring: Choose a Summary	Identify the main idea	8 min
Order the Parts of a Class Presentation	Sequence the parts of an oral presentation	6 min
Compare Two Places (Extended Response)	Speaking: Comparing and contrasting aloud	12 min
Join the Discussion: Build on a Classmate's Idea	Respond to and extend a peer's idea using academic discussion language	12 min
Mini-Presentation: Present and Justify a Recommendation	Deliver a short organized presentation that recommends and justifies a choice	12 min
Who Is Faster? Compare Rates	Explaining who is faster by finding unit rates from a table	8 min
Mean or Median? Describe the Typical Score	Explaining which measure of center describes a data set better	8 min
Ramps and Rolling Distance	Stating a claim and evidence from experiment results	8 min

Spinner Results: How Likely Is Blue?	Describing experimental probability from a table of results	8 min
Lab Partners: Which Liquid Dropped the Most?	Using integers to compare temperature changes in a science role-play	8 min
Area or Perimeter? Tutor a Younger Student	Explaining the difference between area and perimeter to a partner	8 min
Recipe Ratio: Choose the Best Explanation	Choosing a spoken explanation that scales both parts of a ratio	8 min
Describe a Growth Pattern	Describing a trend in a bar chart and making a prediction	8 min
Be the Science Guide: The Water Cycle	Explaining a science process with sequence words to a visitor	8 min
Give Directions from the School	Giving clear step-by-step walking directions with order words and turns	8 min

Level C: Stretching support (38)

Longer Lunch: Present and Defend a Position	Delivering a brief persuasive response	8 min
Argue: Should Our School Install Solar Panels?	Arguing a position with data as evidence	9 min
Respond to a Counterclaim: Community Service Hours	Acknowledging and rebutting an opposing view	8 min
Plan a Persuasive Talk: Put It in Order	Organizing a persuasive presentation	7 min
Argue: Which Invention Changed Daily Life More?	Arguing a position and answering a counterpoint	9 min
Justify a Decision: Which Store Has the Better Deal?	Justifying a decision with percent calculations	9 min
Explain: How a Homemade Water Filter Works	Explaining a process from a diagram	9 min
Explain Cause and Effect: Two Hillsides	Explaining cause and effect from a picture	9 min
Explain Your Reasoning: The Juice Problem	Explaining mathematical reasoning aloud	8 min
Explain: How a Plant Makes Its Own Food	Explaining a process in sequence with cause and effect	9 min
Narrate: What Happened in Our Ice-Melting Investigation	Narrating the sequence of an investigation in past tense	9 min

Narrate: A Merchant's Journey on the Silk Road	Narrating a story with sequence, setting, and detail	9 min
Plan an Explanation: How a New Club Gets Approved	Organizing a spoken explanation with sequence words	7 min
Science Club or Soccer: Compare and Recommend	Comparing options and recommending one	8 min
Compare Two Graphs: Before and After a Bike Lane	Comparing two data displays and drawing a conclusion	9 min
Compare Two Sources: Why Are Bees Disappearing?	Comparing and synthesizing two sources orally	9 min
Describe the Data: Bean Plants in Sun and Shade	Describing data and drawing a careful conclusion	9 min
Explain Your Reasoning: Which Lemonade Is Stronger?	Explaining a ratio comparison with equivalent ratios	9 min
Summarize Aloud: Why Cities Are Hotter	Summarizing an informational text orally	8 min
Academic Discussion: Build on a Classmate's Idea	Choosing an effective discussion move	6 min
Summarize a Short Story: The Broken Bridge	Summarizing the main events of a story in your own words	8 min
Give a Short Talk: Why Ancient Egypt Grew Beside the Nile	Presenting information with an opening, supported points, and a close	9 min
Explain a Theme: What Does Mina's Story Teach?	Explaining how text details support a theme	9 min
Academic Discussion: Disagree Politely and Precisely	Choosing a polite, precise response to a classmate	6 min
Which Store Has the Better Price?	Comparing unit prices from a table and explaining which is the better buy	10 min
Which Jacket Is the Best Deal?	Comparing sale prices after percent discounts and recommending the best deal	10 min
Describe a Shape from Its Points	Describing a figure on the coordinate plane and finding its area and perimeter	10 min

Which City Grew More?	Comparing growth by amount and by percent from a table	10 min
Cashier Role-Play: How Much Will I Save?	Explaining percent discounts, total savings and the final price in a store role-play	10 min
Find the Error in 2/3 + 1/4	Politely explaining an error in a classmate's fraction work	10 min
Interview a Classmate About a Method	Asking and answering questions about a classmate's problem-solving method	10 min
Explain a Taxi Fare Equation	Writing a two-step equation from a table and explaining the solution step by step	10 min
Does the Data Support the Claim?	Evaluating a claim with a data display, including data that does not fit	10 min
Town Hall: A New Skate Park	Presenting a position with reasons and answering a concern	10 min
Town Meeting: Sunday Hours at the Library	Arguing a position at a town meeting with evidence from a chart and answering a worry	10 min
Present Your Survey Results	Presenting survey data with percents to a small group	10 min
Present the Best Gift Box	Presenting volume calculations and a recommendation from a table of box sizes	10 min
Compare Two Ancient River Civilizations	Comparing two ancient civilizations from a table with similarity and difference language	10 min

Grades 6–8 · **Writing** 111 activities

Level A: Starting support (36)

Daily Reading: Complete a Reason	Use a frame to explain an answer	6 min
Choose the Correct Sentence	Use academic verbs	6 min
A Science Experiment: Add a Detail	Use academic verbs	6 min
Finish the Reason Sentence	Choose the best word to complete a sentence	7 min

Strong Sentence or Weak Sentence?	Recognizing detailed vs. vague sentences	10 min
Describe with One Sentence	Use academic verbs	8 min
Describe Your Classroom	Writing simple descriptive sentences	6 min
Write: Describe a Picture	Writing 2–3 descriptive sentences with frames	9 min
Write: Write a Caption	Writing a caption that explains an image	8 min
Classroom Rules: Choose Evidence	Use a frame to explain an answer	8 min
Recess and Focus: Find the Claim	Use a frame to explain an answer	6 min
Build a Paragraph: My School Morning	Order sentences to build a paragraph	8 min
Sort the Paragraph Parts	Identify topic, detail, and closing sentences	7 min
Sequence It: Making a Sandwich	Choosing sequence words (first, next, then, last)	8 min
Worksheet — Favorite Classes (Writing)	Printable practice	printable
Worksheet: Build an Informational Paragraph	Printable practice	25 min
One Sentence About a School Rule	Write one complete opinion sentence	8 min
Sort: Fact or Opinion	Tell facts from opinions before writing	7 min
My Opinion: A Meal I Love	Writing an opinion sentence with a reason	10 min
Write: My Favorite Subject	Writing a short opinion with one reason	9 min
Worksheet: Plan a Persuasive Letter	Printable practice	25 min
My Morning Routine	Sequencing with time words	6 min
Write a Short Thank-You Note	Write a short note with a greeting and reason	9 min
Finish the Story Sentence	Choose words that fit a narrative sentence	7 min
Put My Morning in Order	Ordering sentences into a logical narrative	9 min
Worksheet: Write a Short Narrative	Printable practice	25 min
Describe a Rectangle in Math Words	Writing a set of precise sentences about a shape	10 min

Write About a Bar Graph	Writing three sentences that tell what a bar graph shows	10 min
Explain a Ratio Problem: Marbles in a Bag	Writing short sentences that explain how to use a ratio to find a missing amount	10 min
Describe a Real Situation for 3p	Writing a real-world situation that matches an algebraic expression	10 min
Find the Mistake: Order of Operations	Writing a short note that finds and fixes a mistake in a math problem	10 min
Write a Thank-You Note	Writing a short thank-you note with a greeting, reason, and closing	10 min
Write the Steps: Make a Snack	Writing four steps in order with sequence words	10 min
Write a Hypothesis: Melting Ice	Writing a testable hypothesis with If, then and a reason	10 min
Describe a Rainy Day with Your Senses	Writing a descriptive paragraph with sensory details	10 min
Summarize a Short Text: Why Bees Matter	Writing a two-sentence summary of a short text in your own words	10 min
Level B: Building support (39)		
Revise a Vague Sentence with Details	Use academic verbs	8 min
Practice and Winning: Link Cause and Effect	Use academic verbs	8 min
Complete the Transitions	Choose precise transition words	8 min
Describe a Place That Matters	Writing a descriptive paragraph with sensory detail	18 min
Describe a Person Who Matters	Writing a descriptive paragraph about a person with precise adjectives	12 min
Describe a Place During an Event	Writing a sensory descriptive paragraph about a place in action	12 min
Explain a Bar Graph	Describing data in writing	8 min
Summarize a Short Text	Writing a brief summary	8 min
Informational Paragraph: How a Plant Grows	Write an informational paragraph from a word bank	12 min

Build the Explanation Paragraph	Organizing topic, detail, and concluding sentences	15 min
Sort the Paragraph Parts	Classifying topic, detail, and closing sentences	14 min
Write: Explain with Evidence	Writing an explanation supported by evidence	11 min
Write: Compare Two Choices	Writing a comparison with transition words	11 min
Quiet Room or Study Group: Compare Evidence	Use evidence from two items	12 min
Successful School Habits: Write a Claim and Evidence	Write claim and evidence	12 min
Longer Lunch: Write a Supported Opinion	Construct a short evidence response	12 min
Phones in Class: Answer the Other Side	Construct a short evidence response	12 min
Persuasive Letter: Longer Lunch	Write a short persuasive paragraph with reasons	12 min
Order a Persuasive Paragraph	Order sentences into a persuasive paragraph	9 min
Sort: Claim, Evidence, or Conclusion	Identify the parts of an argument	8 min
Opinion Response: Best Way to Learn	Write an opinion response with a counterclaim	13 min
Argument: Should Recess Be Longer?	Writing an academic claim with reasons and evidence	18 min
Write: Persuade Your Principal	Writing a short persuasive message to an audience	12 min
Narrative: A Time I Solved a Problem	Write a short narrative with a beginning, middle, and end	12 min
Narrative: My First Day Somewhere New	Writing a short narrative paragraph with a beginning, middle, and end	13 min
Narrative: A Time I Helped Someone	Writing a short narrative paragraph that shows a problem and a solution	13 min
Explain How to Find an Equivalent Ratio	Writing a step-by-step math explanation with sequence words	14 min
Explain How to Find a Unit Price	Writing a paragraph that explains a unit-rate procedure with an example	14 min

Explain How to Find Surface Area	Writing a paragraph that explains how to find the surface area of a rectangular prism	14 min
Write a CER Paragraph: Ramp Height	Writing a claim-evidence-reasoning paragraph from a data table	14 min
Write an Email to Your Teacher	Writing a polite, clear email that asks for help or more time	14 min
Write an Email Inviting a Guest Speaker	Writing a formal email with a subject line, an invitation, and a polite closing	14 min
Compare Two Ways to Find 25% of 80	Writing a compare-and-contrast paragraph about two math methods	14 min
Write a Narrative with a Turning Point	Writing a personal narrative with sensory details and a turning point	14 min
Write a Diary Entry: Arriving at Ellis Island	Writing a historical diary entry from a character's point of view with feelings and details	14 min
Solve and Explain: How Many Pens Can Jin Buy?	Writing a paragraph that sets up, solves and interprets a one-variable inequality	14 min
Solve and Explain: Find a Sale Price	Writing a paragraph that explains how to use a percent to find a sale price	14 min
Use a Bar Graph to Choose a New Club	Writing a paragraph that justifies a choice with numbers from a bar graph	14 min
Write a Lab Procedure: Paper Towel Test	Writing the procedure section of a lab report with ordered steps and controlled variables	14 min

Level C: Stretching support (36)

Phones at Lunch: Make an Argument	Writing a claim with evidence	9 min
Write a CER Paragraph: Plants and Light	Writing a claim-evidence-reasoning paragraph from data	14 min
Write a Counterclaim and Rebuttal	Developing an argument with a counterclaim and rebuttal	14 min
Build an Argument Paragraph in Order	Organizing claim, evidence, reasoning, and conclusion	7 min

Worksheet — Argument Essay Planner	Planning a multi-paragraph argument	printable
Choose the Best Evidence for a Science Claim	Choosing specific evidence that supports a scientific claim	6 min
Justify a Best Buy with Unit Prices	Writing a mathematical justification from a ratio situation	14 min
Find the Claim in a Percent Argument	Identifying the claim in a mathematical argument	6 min
Write an Argument to the City Council	Writing an argument with data, a counterclaim, and a rebuttal	14 min
Bus or Walking: Compare Ways to School	Writing a compare-and-contrast response	9 min
Explain: Why Do We Have Seasons?	Writing an explanatory paragraph from a diagram	14 min
Explain a Process: The Water Cycle	Explaining a process in order with cause-and-effect language	14 min
Write an Informational Report: Types of Rock	Writing an informational paragraph with a topic sentence and supporting details	14 min
Compare and Contrast: Athens and Sparta	Writing a compare-and-contrast paragraph from a table	14 min
Write a Narrative: A Day on the Silk Road	Writing a narrative with sequence, detail, and a problem solved	14 min
Write a Narrative: When the Lights Went Out	Developing a narrative with sequence, dialogue, and detail	14 min
Summarize a Science Article: Clever Octopuses	Summarizing a source with a main idea and key details	14 min
Choose the Precise Transition	Selecting transitions that show exact relationships	8 min
Revise for Precise Academic Words	Replacing vague language with precise academic vocabulary	6 min
Combine Sentences into One Complex Sentence	Combining ideas with subordinating conjunctions and relative clauses	6 min
Revise for Focus: Find the Off-Topic Sentence	Identifying a sentence that does not support the paragraph's main idea	6 min
Worksheet — Revision Workshop: Transitions, Words, Sentences	Revising a paragraph for cohesion, precision, and sentence variety	printable

Complete the Paragraph: Why Cities Grew in Mesopotamia	Choosing connectors that show cause and effect in an explanation	8 min
Revise for Cohesion and Precision: School Recycling	Choosing the revision that connects ideas and uses precise words	6 min
Write a Lab Report Conclusion	Writing a lab report conclusion that uses data, a claim, and a limitation	18 min
Write a Lab Report Results Section	Writing the results section of a lab report that describes a data pattern with numbers	18 min
Argue: Should Middle Schools Limit Homework?	Writing a three-paragraph argument with a claim, evidence, counterclaim, and rebuttal	18 min
Write a CER Paragraph: The Mystery Block	Writing a claim-evidence-reasoning paragraph that uses calculated data and a limitation	18 min
Argue for a Class Garden: Answer the Counterclaim	Writing a three-paragraph argument with reasons, a counterclaim and a rebuttal	18 min
Write a Note That Corrects a Math Mistake	Writing a respectful note that explains an error and shows the correct method	18 min
Write a Formal Letter Requesting a Field Trip	Writing a three-paragraph formal business letter with a purpose, details and a request	18 min
Solve and Explain: The Price of Pens	Writing a problem-solving explanation with what I know, my plan, my steps, and my check	18 min
Summarize a Science Paragraph	Writing a summary that keeps the main idea and key details in your own words	18 min
Compare Two Ways to Solve 3(x + 2) = 21	Writing a compare-and-contrast paragraph about two equation-solving methods and when to use each	18 min
Write a Problem-Solution Piece: Cafeteria Food Waste	Writing a three-paragraph problem-solution piece with an example and a conclusion	18 min

Write a Scene with Dialogue: Trouble at the Science Fair	Writing a narrative scene with punctuated dialogue, feelings, and a turning point	18 min

Grades 6–8 · **Model test items** 51 activities

Model test A (27)

Before You Begin	Understand test directions	3 min
Listening Item 1	Follow a classroom announcement	5 min
Listening Item 2	Identify main idea in academic talk	5 min
Reading Item 1	Read a short informational passage	6 min
Reading Item 2	Use a chart and details	6 min
Listening Item 3	Follow sequence words	5 min
Reading Item 3	Find a supporting detail	5 min
Academic Word Item	Understand an academic verb	5 min
Math Language Item	Compare quantities	5 min
Science Detail Item	Identify cause and effect	5 min
Short Response Item	Construct a short evidence response	8 min
Speaking/Writing Response	Explain with evidence	8 min
Find the Evidence	Locate text evidence for an answer	7 min
Pick the Main Idea	Identify the main idea of a passage	6 min
Listen for Key Words	Use key words to find the answer	6 min
Academic Word Sort	Sort academic test words by meaning	7 min
Order the Paragraph	Organize sentences into a paragraph	7 min
Choose the Transition	Use transition words correctly	6 min
Pick All That Apply	Answer 'select all' test items	6 min
Plan a Spoken Answer	Organize ideas before speaking	8 min
Test-Taking Strategies	Review test-taking strategies	10 min
Academic Vocabulary for ACCESS	Study academic test vocabulary	10 min
Full-Test Answer Sheet & Bubble Practice	Practice marking an answer sheet	8 min
What Are the Directions Telling You?	Reading test directions	8 min
Cross Out What Cannot Be True	Elimination strategy	9 min
Find the Sentence That Proves It	Citing text evidence	10 min
Worksheet — My Test-Taking Toolkit	Printable practice	printable

Model test B (24)

Part B Listening 1	Infer the classroom purpose	6 min
Part B Reading 1	Compare two details	7 min
Part B Data Item	Interpret table evidence	6 min
Part B Listening 2	Infer next step	5 min
Part B Reading 2	Identify author purpose	5 min
Part B Chart 2	Compare categories	5 min
Part B Academic Verb	Use academic verbs	5 min
Part B Reading 3	Choose best evidence	5 min
Part B Listening 3	Follow multi-step oral directions	7 min
Part B Science Language	Identify cause and effect	7 min
Part B Extended Response	Construct a short evidence response	8 min
Part B Written/Speaking Response	Use evidence from two items	9 min
Read Between the Lines	Make an inference from the text	7 min
Word Meaning in Context	Use context clues for word meaning	6 min
Order What You Hear	Sequence spoken steps	7 min
What Is the Question Asking?	Interpret academic direction verbs	6 min
Topic Sentence or Detail?	Sort topic sentences from details	7 min
Smart Test Choices	Apply test-taking strategy	6 min
What Happened First?	Locate sequence in a text	6 min
Write a Comparison	Write a comparison paragraph	9 min
How Should You Spend Your Time?	Test time management	8 min
Build the Academic Word Family	Academic word families	9 min
What Is the Question Really Asking?	Reading the question stem	10 min
Worksheet — Question-Stem Decoder	Printable practice	printable

Practice tests

Practice tests: all forms. Classroom practice; these are not official ACCESS tests.

Grades 3–5 Practice Test — Form A	Grades 3–5, 17 items	45 min
Grades 3–5 Practice Test — Form B	Grades 3–5, 17 items	45 min
Grades 3–5 Mini Test — Listening: The Water Cycle	Grades 3–5, 6 items	8 min
Grades 3–5 Mini Test — Reading: The Recycling Project	Grades 3–5, 6 items	10 min
Grades 3–5 Mini Test — Speaking: A Day at School	Grades 3–5, 4 items	8 min
Grades 3–5 Mini Test — Writing: Cooking with Family	Grades 3–5, 4 items	17 min
ACCESS-Style Practice Test — Form A	Grades 6–8, 16 items	77 min
ACCESS-Style Practice Test — Form B	Grades 6–8, 16 items	77 min
ACCESS-Style Practice Test — Form C	Grades 6–8, 12 items	77 min
Classroom Practice — Listening: The Story of Leon the Chef	Grades 6–8, 8 items	12 min
Listening Mini Practice Test	Grades 6–8, 6 items	12 min
Classroom Practice — Reading: Math in the Garden	Grades 6–8, 10 items	18 min
Reading Mini-Practice: The Animal Shelter	Grades 6–8, 6 items	15 min
Classroom Practice — Speaking: A Day at School	Grades 6–8, 4 items	12 min
Classroom Practice — Speaking: Life in the New World	Grades 6–8, 4 items	12 min
Classroom Practice — Writing: Favorite Classes	Grades 6–8, 2 items	22 min
Mini Writing Practice: Explain and Persuade	Grades 6–8, 4 items	28 min
