The Language Page

Practice Together at home

Practice Together is short English practice for families. A guide on the page shows you how to help, step by step, in English or Spanish.

Scan the code with a phone camera, or type the link:
thelanguagepage.com/access-practice-lab/practice-together

Choose your child's grade, then press "Start practicing together."

Three steps

Start
Choose your child's grade and press Start.

Practice together
A guide shows each step. 5 to 10 minutes.

Celebrate
Say one thing your child did well.

Next time, try these

Let's Talk. Look at a picture and say what you see, out loud.

Let's Write. Make one plain sentence better with a detail and a reason.

Grades K–2: choose the exact grade. Pictures and audio, no reading needed.

Good to know

- No account is needed to practice. Your work saves in this browser on this device.
- A microphone is never required. Recording starts only when a person presses Record, and recordings stay in the open tab.
- Use your home language to talk about ideas. Adults do not need perfect English to help.

From your child's teacher: _____
