## Three steps

**Choose**
Pick one activity below.

**Practice together**
5 to 10 minutes. Stop when you like.

**Celebrate**
Say one thing your child did well.

## Two activities

**Let's Talk.** Look at a picture and say what you see, out loud.

**Let's Write.** Make one plain sentence better with a detail and a reason.

Grades K–2 open a page for younger children: a picture story read aloud, sounds and word cards.

## Good to know

- No account is needed to practice. Your work saves in this browser on this device.
- A microphone is never required. Recording starts only when a person presses Record, and recordings stay in the open tab.
- Use your home language to talk about ideas. Adults do not need perfect English to help.
