

Lesson 2.6 Explain Your Thinking

Session 1 · Median and Outliers

Use the “Model, reason, and explain” task in your Guided Notes. Keep the same mathematical task; choose only the support you need.

English math word	Spanish
outlier	valor atípico
median	mediana
mean	media

1 · Represent the relationship

Point to, draw, or label the important quantities and units.

2 · Rehearse with a partner

For the purpose of ____, I use ____ because the change in the extreme value ____.

3 · Choose a connected sentence

Because: My conclusion follows because ____.

But: Uses 'outlier means median' without considering the purpose or computing the summaries. may seem reasonable, but ____ shows why it fails.

So: The relationship in my model is ____, so ____.

Check: I answered the task, included mathematical evidence, and explained the connection. Next time I can try with one fewer support.

GRADE 6 MATHEMATICS | STUDENT SUPPORT

Session 2 · Comparing Distributions

Use the “Model, reason, and explain” task in your Guided Notes. Keep the same mathematical task; choose only the support you need.

English math word	Spanish
center	centro
spread	dispersión
distribution	distribución

1 · Represent the relationship

Point to, draw, or label the important quantities and units.

2 · Rehearse with a partner

If the priority is ____, I recommend ____ because _____. The tradeoff is _____.

3 · Choose a connected sentence

Because: My conclusion follows because _____.

But: Chooses the lower median without considering variability or claims a guaranteed wait. may seem reasonable, but _____ shows why it fails.

So: The relationship in my model is _____, so _____.

Check: I answered the task, included mathematical evidence, and explained the connection. Next time I can try with one fewer support.
