

Lesson 2.2 Explain Your Thinking

Session 1 · Building a Histogram

Use the “Model, reason, and explain” task in your Guided Notes. Keep the same mathematical task; choose only the support you need.

English math word	Spanish
histogram	histograma
interval	intervalo
frequency	frecuencia

1 · Represent the relationship

Point to, draw, or label the important quantities and units.

2 · Rehearse with a partner

The value ____ belongs in ____ because its lower bound is ____ and its upper bound is ____.

3 · Choose a connected sentence

Because: My conclusion follows because ____.

But: Counts a boundary value in two intervals or leaves it out. may seem reasonable, but ____ shows why it fails.

So: The relationship in my model is ____, so ____.

Check: I answered the task, included mathematical evidence, and explained the connection. Next time I can try with one fewer support.

GRADE 6 MATHEMATICS | STUDENT SUPPORT

Session 2 · Describing Histogram Shape

Use the “Model, reason, and explain” task in your Guided Notes. Keep the same mathematical task; choose only the support you need.

English math word	Spanish
peak	pico
symmetric	simétrico
skewed right	sesgado a la derecha
skewed left	sesgado a la izquierda

1 · Represent the relationship

Point to, draw, or label the important quantities and units.

2 · Rehearse with a partner

The tail extends to the ____, so I describe the distribution as ____.

3 · Choose a connected sentence

Because: My conclusion follows because ____.

But: Names the skew for the side with the tallest bar. may seem reasonable, but ____ shows why it fails.

So: The relationship in my model is ____, so ____.

Check: I answered the task, included mathematical evidence, and explained the connection. Next time I can try with one fewer support.
