

Lesson 9.1 Explain Your Thinking

Session 1 · Independent and Dependent Variables

Use the “Model, reason, and explain” task in your Guided Notes. Keep the same mathematical task; choose only the support you need.

English math word	Spanish
independent variable	variable independiente
dependent variable	variable dependiente
depends on	depende de

1 · Represent the relationship

Point to, draw, or label the important quantities and units.

2 · Rehearse with a partner

The output ____ depends on ____ because the rule ____ . Therefore ____ .

3 · Choose a connected sentence

Because: My conclusion follows because ____ .

But: Answers only which axis a variable conventionally uses. may seem reasonable, but ____ shows why it fails.

So: The relationship in my model is ____ , so ____ .

Check: I answered the task, included mathematical evidence, and explained the connection. Next time I can try with one fewer support.

GRADE 6 MATHEMATICS | STUDENT SUPPORT
Session 2 · Tables of Values

Use the “Model, reason, and explain” task in your Guided Notes. Keep the same mathematical task; choose only the support you need.

English math word	Spanish
table of values	tabla de valores
input	entrada
output	salida

1 · Represent the relationship

Point to, draw, or label the important quantities and units.

2 · Rehearse with a partner

The output ____ depends on ____ because the rule _____. Therefore _____.

3 · Choose a connected sentence

Because: My conclusion follows because _____.

But: Adds one rate unit between table rows regardless of input jumps. may seem reasonable, but _____ shows why it fails.

So: The relationship in my model is _____, so _____.

Check: I answered the task, included mathematical evidence, and explained the connection. Next time I can try with one fewer support.
