Unit 5 Synthesis Task Teacher Key

Volume 72 cm³; closed surface 2(24+18+12)=108 cm²; open exposed surface 84 cm². Verify six matching faces in the net; opening removes area but does not change the geometric capacity model.

Criterion	0 points	1 point	2 points
Representation	Missing/incorrect	Partly meaningful	Complete and labeled
Mathematics	No sound calculation	Minor slip with valid method	Correct quantities and units
Reasoning	Unsupported claim	Some relevant evidence	Evidence connects to decision/conditions
Verification	No check	Partial check	Independent check and contextual interpretation

Total 8 points. A score is evidence for the stated task, not a validated mastery cut score. Keep an original exemplar, a partial response, and a misconception response distinct when discussing work.
