

2-5 Fraction Division Problem Solving

Fraction Detective Agency | Standard: 6.NS.1 | Color-by-Number Practice

Learning Goal: I can solve real-world problems by writing and solving fraction division equations.

Directions: Solve each problem. Match each answer to the Color Code. On the next page, color every box with that problem number using the matching color.

Vocabulary: total, group size, quotient

Explain one: I solved problem ___ by ___. Because ___, my answer is ___.
