UNIT 7 · STANDARD 6.NOS.8

Compare and Order Integers and Rational Numbers

Lesson 7-4

Name: Type your name **Date:** Today's date **Class:** Class period

My Notes Level 3 Enrichment

🎯 **TODAY'S OBJECTIVES**

Content Objective: I can compare and order integers using a number line.
Language Objective: I can explain my reasoning using the words compare, order, greater than, and less than.

📖 See **Learn It** for the explanation and worked examples, and the **Vocab** tab for the words. These are your notes to fill in and keep.

✏️ **Fill in each blank as we go. Use the Word Bank to help you.**

📚 **WORD BANK — FILL EACH BLANK WITH THE BEST WORD**

Number line | Compare | Order | Greater than | Less than | Negative integer | Integer | Inequality

☝️ *Tap any word to see its meaning and a picture.*

Level 3: try the blanks from memory first, then check the bank.

1. To plot integers in order, place them on a _____.

2. To decide which number is larger or smaller is to _____ them.

3. To arrange numbers from least to greatest or greatest to least is to _____ them.

4. On a number line, a number farther to the right is _____ another number.

5. On a number line, a number farther to the left is _____ another number.

6 An integer less than zero, like –6, is a _____ .

7 A whole number or its opposite is an _____ .

8 A statement that compares numbers with < or > is an _____ .

Write About the Math

How do you use integer comparison to find the coldest and warmest days?
¿Cómo usas la comparación de enteros para hallar el día más frío y el más caluroso?

Say your answer to a partner first. Then write it, using at least two of these words:

- ☐ **Number line** — *Recta numérica*
- ☐ **Compare** — *Comparar*
- ☐ **Order** — *Ordenar*
- ☐ **Greater than** — *Mayor que*
- ☐ **Less than** — *Menor que*

Model: *-3 is less than 2 because on the number line ____.* — Student explains that -3 is farther left on the number line than 2, and numbers decrease moving left.

Start

Complete the frames. Use the word bank.

Completa las oraciones. Usa el banco de palabras.

- **The coldest day was ____ at ____°F because ____. The warmest day was ____ at ____°F. I ordered them from coldest to warmest by ____.**
- **My answer is ____ because ____.**
  Mi respuesta es ____ porque ____.

Build

Write two connected sentences. Use because, so, or but.

Escribe dos oraciones conectadas. Usa porque, entonces o pero.

- **My claim is ____.**
  Mi afirmación es ____.
- **My evidence is ____, so ____.**
  Mi evidencia es ____, entonces ____.

Explain

Write a claim, give math evidence, and explain your reasoning.

Escribe una afirmación, da evidencia matemática y explica tu razonamiento.

- [ ] I answered the question.
- [ ] I used math evidence: numbers, an equation, or a model.
- [ ] I used at least two math words.
